Mr. Glen A. Gettinger
Midwest Oil Refining Company
1900 Walton Road
St. Louis, MO 63114

Dear Mr. Gettinger:

This letter is to inform you that the department has completed the review of your certified resource recovery facility application form. After a review of your application form and the supporting documents the department is pleased to inform you that Midwest Oil Refining Company located in St. Louis County has been certified for resource recovery contingent upon the following provisions.

1. The operator shall comply with 10 CSR 25-9.010.
2. The operator shall accept only waste oil as listed in the application and in the amounts specified.
3. Any waste oil accepted, transported or handled by the operator shall be in accordance with the Waste Oil Rule, 10 CSR 25-4.020.

If you have any questions regarding compliance with your certification, please contact me at this office.

Sincerely,

Joe Jansen
Environmental Engineer

CERTIFIED RESOURCE RECOVERY FACILITY

Certification for resource recovery is issued to:

MIDWEST OIL REFINING CO.

For the facility located: 1900 Walton Rd., St. Louis, MO 63114

CERTIFICATION NUMBER: RR-007

A copy of this certificate must be available at the facility during operation.

This certification is valid from the date signed for a period of two years, in accordance with the Certified Resource Recovery Facility Application Form approved by the department. Only wastes listed in the approved application are to be processed at this facility.

It is understood that the acceptance and use of this certification subjects the operator of the above named facility to the applicable requirements of the Missouri Hazardous Waste Management Law and the rules thereunder specifically 10 CSR 25-9.010.
